Dear Dr Galli

This is an automatic acknowledgement of receipt. We have received your manuscript "Three-dimensional structure of the Upper Scorpius association with the Gaia first data release" and it has been given the reference:

Manuscript ID: MN-17-4088-L.

Please mention the above manuscript ID in all future correspondence. If there are any changes in your postal or e-mail address, please log into the MNRAS ScholarOne Manuscripts site at <https://mc.manuscriptcentral.com/mnras> and edit your user information as appropriate.

You and your co-authors may view the status of your manuscript at any time by checking the Author Centre after logging in to the above site.

Thank you for submitting to MNRAS.

Best wishes,

Kim Clube (Dr)
Monthly Notices of the Royal Astronomical Society.
